

EUROPEAN TEN SING FESTIVAL 2011

IPPG

... to all TEN SING groups in Europe

Your contribution to the European TEN SING Festival 2011 in Ziegenhain!

Hello to everybody!

We hope that the good news has already reached you. In the summer of 2011 we will have a European TEN SING Festival again, finally!

This time it will take place in Ziegenhain in Germany.

We are expecting 3000 TEN SINGER from all over Europe, but to arrange such a big festival, we will need many helping hands. The Orga-Team has already been working for a while and also the International Programme Planning Group (IPPG) has had some meetings to plan an unforgettable event.

Lots of programme activities have already been distributed to different TEN SING countries. However, to make it a real TEN SING Festival, we need you!

**You want to be a part of the festival?
But don't know how?**

We have many different possibilities!

1. Have a concert with your TEN SING group.

Most afternoons there will be the possibility to present yourself during group concerts. Each concert should be 20 to 30 minutes.

Please remember your show is for an European Festival and it's more fun for the audience if they understand your sketches. The festival's language will be english – how about pantomime, if you don't want to translate? As a registered group, you can apply for group concerts from January 2011.

2. Have a concert with regional TEN SING – groups or an other special project.

The bigger the group and the more interesting the programme, the bigger the possibilities. What about a concert in the Late-Night-Programme or the Main Stage?

Let us know already, what you are planning, even if we can't tell you yet who will be playing the shows!

3. Become a workshopleader.

You're able to do something special and want to teach it others? You are a cheerleader or a jump-styler and want to share your knowledge with other TEN SINGers? Become a workshopleader!

That means you offer a workshop on 1 to 4 afternoons. It can be a workshop for only one afternoon or for up to four afternoons. It's your choice!

4. Offer a Drop-Inn activity.

What's that? Drop-Inn can be many different things: e.g. a slide, a creativity corner, a mini-dance-workshop, Singstar, a sports activity... any short activity, where everybody can join and be a part of.

5. Become a member of staff.

All areas from catering or sound and light engineering, accommodation and security to infrastructure will need support during the festival. You can register as a member of staff if you want to give your power to get the festival running. More information will follow soon!

We are already looking forward getting your mails :-)

6. Being „participant XXL“.

Your main interest is to be a regular participant on the festival but why not working for a little while? We'll give you the possibility to help the festival by doing some practical things – just a few hours during your days at Ziegenhain. It's possible even if you are attending the festival with your own TEN SING group.

Of course you can also register as a regular participant – just enjoying the festival – one week of pure TEN SING!

» Registration for early birds will start in September 2010!
